Sustainability Action Planning Worksheet

What services and supports did you identify as top priorities that need additional funding to sustain?

State Leadership Actions to Advance SMH

1st Prioritized Action:

2nd Prioritized Action:

Action 1 Planning:

What opportunities exist related to this goal?

What have been our past successes?

What current work is taking place related to this goal?

What are our available resources (leadership, infrastructure, staffing, partnerships)?

What barriers exist related to this goal?

What would prevent us from moving forward?

What would we need to overcome these barriers?

Who will be involved: List the individuals who will help move this goal forward and their roles. Consider multidisciplinary stakeholders.

Individual	Role

List 3-5 action steps that will help to achieve this goal.

- 1.
- 2.
- 3.
- 4.
- 5.

Action Step	Individual(s) Responsible	Data to Evaluate Change	Date

District Leadership Actions to Advance SMH
